2009 Professional Training Workshop:

Emotionally-Focused Couples Therapy

A One- day Workshop for Professionals exploring the work of Susan Johnson

& its application in Couple' relationship work.

The focus is mainly experiential with an overview of the theoretical and key concepts of EFCT

Therapists can learn how to:

- Identify core interactional patterns
- Identify & explore primary and secondary emotions
- Identify and assist couples to work with the influence of early attachment styles
- Assist couples to build a secure base
- Assist couples to monitor own progress and prevent relapse
- Engage In Self-Care
